

## **Therac-25: Group Activity**

**As a group, discuss the following questions. Prepare a paper with an outline of your answers to turn in after we discuss your answers.**

- 1. Who are the Stakeholders?**
- 2. Which stakeholders had a responsibility to other Stakeholders?**
- 3. Why did so many accidents occur?**
- 4. If you were a judge who had to assign responsibility in this case (Blame for deaths and overdoses), how much responsibility would you assign to the different stakeholders? *You may either create a ranked list, or assign percentages out of 100.***
