Text link	**5 points**
3X3 min table	**5 points**
Uses the <p> tag somewhere	**5 points**
Index.html exists	**5 points**

another.html   10 points

There's some other html page	**5 points**
Validation	**5 points**

style.css   40 points

It validates (may need to manually enter URL into validator)	**10 points**
Background formatting	**5 points**
Default text formatting	**5 points**
Text element 1 formatting	**5 points**
Text element 2 formatting	**5 points**
Link formatting	**5 points**
Style.css exists	**5 points**

For the most part, just eyeball their websites and click the validator links to check them. If something seems to be missing, use the above criteria in order to figure out how much to take off.

They can earn up to 5 points as bonus for awesome design/humor!
